

# Anti-Displacement Toolbox

The City of Albuquerque **Planning Department** created an **Anti-Displacement Toolbox** in response to community concerns about losing housing, jobs, and businesses as a result of new development and redevelopment.

**Access the Toolbox here:**

## Visit the website to learn more about:

- The difference between displacement and gentrification.
- The City's role in avoiding displacement.
- Community priorities for housing and local businesses.
- Strategies and actions to avoid displacement.
- How to get involved in your community.

## What's in the Toolbox?

- **Existing resources** that may be helpful for residents and businesses.
- **Featured strategies** that other cities have put in place that can inform our efforts.
- **Actions** that the City can take to help residents and businesses thrive in their communities.

## We want to hear from you!

The Planning Department has drafted a survey to ensure we have captured **priority community needs** through our **website** and **actions**.

Thanks for your feedback!
